**RULES OF TRANSPACIFIC RACE THAT SOON STARTS**

The crusing number of the Pacific Motor Boat has published the rules that will govern the transpacific yacht race that will start from San Pedro on July 9th. They are as follows:

Conditions: The race is open to crusing craft belonging to any organized yacht club whose water line is not less than thirty feet. Boats to enter this must be bona fide crusing craft of substantial construction and rig, having tall deeks and watertight cockpit. Yachts having fin or bulb keels or balanced rudders are barred.

Measurements: The measurements for computing allowance is the length of the deck over all. The length on deck is from the fore side to the after side of the stern board or transom. Fiddle heads and ornamental pieces are not included in this measurement. Boats will rate for allowance from closest full foot.

Crew: There will be no restrictions as to the number or character of the crew but the person in charge must be a bona fide member of an organized yacht club.

Sails: Lower sails to be used by the yacht when crusing. No restrictions on light sails.

Boats: Yachts must carry such small boats or tenders as they carry when crusing.

Stores and Waters: Stores and water sufficient for thirty days must be on board. Water to be fixed in tanks or breakers.

Y.M.C.A. AND CAMP VERY HANDBALL

The second day of the second round of the handball match between the Camp Very and Y. M. C. A. teams, ends with two more matches added to the credit of the Y. M. C. A. team. Webster duplicated the score that Marcelli made the day before winning out by 15 to 12 against Pieriello of the Camp Very team. Johnston of the Y. M. C. A. team trounced Quamen of the Camp Very team by 15 to 9. The Camp Very boys were 30 points in the lead at the end of the first round. The Y. M. C. A. team is now 132 points in the lead for the second round with four more matches to play. On figuring the totals for the two rounds, the Y. M. C. A. is 11 points to the good.

Wednesday there will be a red hot game between Ognibekoff of the Camp Very team and Lewis of the Y. M. C. A. team. St. John of the Y. M. C. A. and Molter of the Camp Very team will also hit up for their second round which should be another warm game as they played a fine game in the first round.

Sport Notes

The Fort Ruger skating rink was challenged by the Fort Shafter aggregation, and the challenge having been taken up, the road pounders and the gunners will have it out next Sunday night. Last Sunday the Shafterites defeated the Marine team in two hard pulls. This is the second time that Shafter has downed Camp Very and they thus become the champions in this most informal sport.

Another game of roller polo will be played at the Princess Rink this evening, commencing at nine and as the game has not been seen for months there will be a good crowd on hand to witness it. The Marines and the Townies are the teams that will provide the amusement and they have been showing up well in practise. The teams are as follows: Townies, McGuire, Rodriguez, Martin, Beckey, Ladd and Sullivan. The Marines are Roff and Nitro, Sarzone, Milburn, Kistner and O'Hare. The Marines are going on a check up Tantau this afternoon and it is possible that they will be too tired to play.

The Y. M. C. A. night school continues this week with three classes well patronized. The bookkeeping, typewriting and shorthand classes have proven popular.

There is a new concert band led by Captain Vans for the use of the boys of the Marine barracks stationed there. The new concert will come in handy for the last set handball experts to practise and improve their play for the Y. M. C. A. boys appear to be turning the tables on them.
